

Wombourne Community Assistance Group Christmas Newsletter

Get in the festive spirit this Christmas and spread some positivity!

Dear resident,

We head into the Christmas period this year from another lock-down, but despite the uncertainty of our times, there are plenty of ways to stay positive. News of a vaccine is very welcome, and I hope we will all feel able to share in the Christmas spirit throughout December.

We must not forget, however, that Covid-19 is still with us, and we must maintain social distancing for the benefit of our loved ones. Please do continue to look out for your neighbours at this time of year, and perhaps share a Christmas dinner with a neighbour if they live alone or are shielding – such simple gestures go a long way. I hope you are all able to have a safe and special Christmas this year.

Dan Kinsey, Chairman, Wombourne Parish Council

Here are some activities to get involved with this December:

Saturday 5th December @ 6pm: The Big Christmas Light Switch-on for your house or street! Decorate your house and join us for a community switch-on. Flick the switch at 6pm and remember to wear your favourite Christmas jumper!

Monday 7th December: Up to this date, write or create a Christmas card or picture and drop it into our Civic Centre post box ready to be delivered to our elderly or shielding residents along with a special Christmas parcel. We would love our Wombourne children in particular to get involved. Drop it in the post box by 7th December, and look out for more details online.

Wednesday 16th December @ 6pm: Doorstep Carols Concert. Just like we did for VE Day, we will share a list of songs nearer the time. Please join in and share in the festive spirit! Encourage your street to join in, carol singing in a socially distanced way.
